PEAKTIME COMPLAINTS POLICY AND PROCEDURE

Introduction

Peak Time aims to provide quality out of school care; we recognise that on occasions users may feel dissatisfied with some aspects of the provision. We provide customer satisfactions surveys to monitor quality on a regular basis, but also view complaints as an important addition to our own quality assurance measures.

If you do have a concern in the first instance please talk to a member of staff if it cannot be resolved. The following steps will take you through our commitment to investigate any complaints rigorously and make every effort to resolve the issues as quickly as possible.

1. When lodging a formal complaint, complainants must do so in writing, which can include email, if a complaint is made by telephone a detailed record of the complaint will be made, but no action will be taken until a formal complaint is lodged in writing.

2. The Peak Time Co-ordinator assess the complaint in order to determine who will have responsibility for conducting the investigation.

3. The Co-ordinator will send an acknowledgement within two working days of receipt of the complaint, which will include:

- Confirmation details of the complaint to be investigated
- State the name and position of the investigating officer or point of contact in another organisation to which a complaint has been forwarded
- State that the investigating officer will normally respond substantively to the complainant within 28 days of receiving the complaint.

4. On receipt of outcome of complaint if the complainant is still not happy and would like an independent review they may write to Ofsted at the following contact:

Ofsted
