ANTI-BULLYING POLICY

The aims of this policy are to prevent bullying wherever possible and to ensure that should bullying occur, it will be recognised and dealt with effectively and appropriately.

Definition

*Bullying is a form of inappropriate behaviour which is hurtful, deliberate and persistent. Bullying is **never** acceptable.*

Peak Time is a friendly, caring kids club and expect all its users, staff and volunteers to help and value each other.

We can help prevent bullying in the following ways:

- By explaining the consequences of their actions a bully may positively change their behaviour.
- By encouraging the skills of playing together bullying may decrease.
- Promoting a positive play environment for all children

Action after bullying occurs

The Victim

- We will offer support to the victims of bullying.
- The co-ordinator will contact the parents of the victim to reassure them and provide them with information.

The Bully

- We will inform parents of what has taken place and invite them into the Club to deal with the problem.
- Any punishment that is deemed necessary must also be accompanied by training in more appropriate behaviour.

Others

- Other children should also be made aware that they have a role to play in avoiding or reporting incidents of bullying.
