

Peak Time Kids Club

Road Safety Procedure

If a child/children has been brought to the club by car they should wait until the courier tells them that it is safe to take off their seatbelt before doing so. The courier should then let the child/children know that it is safe to open the door of the car before they get out. The child/children should wait at the back of the parked car, next to the wall for the courier to escort him/her to the building.

Child/children who are collected from the bus must stay with the member of staff who meets them. They will use the designated crossing area at all times and observe The Green Cross Code.

During the winter months children will be supplied with high vis jackets on collection from the Grindleford bus.

Road Safety discussions with the children will take place regularly.

Peak Time Kids Club

Sun Policy

Children should be encouraged to wear hats when playing outside. If the child does not have one of their own, they will borrow one from the setting. (Hats will be washed regularly).

Sun cream should be applied by Parents/Carers. If the sun cream needs to be reapplied, this will be done by the child under the supervision of a Playworker.

Children will be encouraged to sit or play in the shade. Plenty of cold drinks will be available.
